To  
The Secretaries and Principals of all the Colleges of Education  
affiliated to Tamil Nadu Teachers Education University

Sir/Madam,

Sub: TNTEU- Colleges of Education – Mandatory condition in NCTE's Recognition-  
Maintenance of official college website & updating periodically – Further  
Instructions - Issued - Reg.

\*\*\*

I am, by direction, to inform that in the Recognition orders granted by the NCTE to the Colleges of Education to offer teacher education programme, it has been specifically stated that all the recognized teacher education Institutions shall maintain their official college websites and to disclose more than 11 items of mandatory information on them by updating periodically. The relevant portion of the recognition order is reproduced hereunder.

*"The Institutions shall maintain & update its web-site as per the provisions of NCTE Regulations and always display following as mandatory disclosure:"*  
(Listed more than 11 items of information)

In this regard, the University has repeatedly instructed all the affiliated Colleges of Education to maintain official college website and update the information in order to fulfill the mandatory conditions stipulated by the NCTE in the Regulations as well as in the Recognition orders and instructed to submit action taken report to the University.

In response to the University communications, the Colleges of Education listed in 'Annexure-A' have submitted details of their official college websites, but on verification, some of the websites are found inactive and some of them have not been updated. The Colleges of Education listed in 'Annexure-B' have not yet submitted the details of their official college websites even after repeated communications by the University. An immediate action in this regard is highly warranted from these Colleges of Education. If such lapses continue, an appropriate action will be taken by the University.

Hence, the Secretaries and Principals are hereby requested to keep maintaining their college websites active and update the essential data periodically, and submit action taken report on the present status of the website to the University **on or before 11.01.2019.**
